# ROB'S WORD SEARCH

should be banned for children because of the violence and sexual content and

it's a bad influence. In the game, they curse, steal cars, and pick up prostitutes. You can have sex with them, too!!!

You can shoot people with shot-guns, grenade launchers, oeven an old lady. They can be innocent or not!! If you buy it for a kid, that kid might think those things are good things to do. They might go on a killing spree.

## Destiny's Child

Destiny's Child members are Bey'once, Kelly, Michelle. I am obsessed with Bey'once! I like Bey'once because she is not like other girls. Bey'once is not like other women because she is so cute. She sings so well that I would want to jump in her videos. The movie Austin Powers in Gold Member touched my heart because of course Bey'once was in it. Her parts were so real to me! Bey'once if your reading this article I was wondering who makes you clothes. Not to be mean I love you and everything. What's up with your weave? I do believe that your hair is long enough itself. Considered to Bey'once she has been in the music business since she was three years old. Bey'once is 21 years old now. Do the math! If she started when she was 3 and now she's 21. That means she has been in the music business for 19 years. Destiny's Child. they win a soul and R and B awarded for survior and Emotion. So that is why they are not destinyschild no more. because they want to do there thing i will not hate off what they are doing keep it real. for your love? !!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Game For Funraiser  
By Peak Johnson

was surfing the internet today when I decided to go to my favorite website Cartoonnetwork. When I went there the first thing that I saw was Dexter(from the cartoon) holding a halloween Bag and under it read "Help Kids Around The World Trick or Treat and play a new game." The first thing that came to mine was that I have to play this. The game was called

Trick or Treat Beat and being sponsored by this program called UNICEF. The object of the game is to go door to door and collect candy or if you bump into a friend (like the EDS) you would earn coins. You would first start off the game as a kid in a skeleton costume then in each level you would find a tomb stone with a picture of a monster on it and you would become that monster but with powers. For example when you start off as the skeleton your power is keys to open all locked areas, If you are the witch your powers are to change ghost into frogs, if you are frankenstein you have strenght, the

sea monsters enables you to swim across lakes, and last if you become the vampire you can become a bat. The game levels consist of Backyard Graveyard, Double Trouble, Escape from the bone yard, and fenced in. Plus many more. My score was 5116 this game beats the pants off of the game I played on Nick.com. I hope you enjoy this as much as I did playing it.

The Origin Of Halloween  
By Peak Johnson

The origin of Halloween has been in ancient Celtic traditions and beliefs. The festival called Samhain celebrated on November 1st was the new year's day of the Celts and is considered to be the predecessor of contemporary Halloween. Also a day of the dead, when the souls of those who are dead are allowed to walk the night. In England on the eve of Guy Fawkes Day (November 5,) known as mischievous night children are allowed to play pranks on the adults as in the U.S. on October 1. Although not really a national holiday Halloween has a history of regional history traditions that make it fun for adults and kids alike. Also if you're wondering what the first pumpkin was it was actually a radish.

# St. Elizabeth Afterschool Program

By Miranda Jenrette

## Episode 1

Hello my name is Miranda Jenrette. I attend Wakisha Charter School. I am going to be talking about my experience at the afterschool program. I think the afterschool program was very exciting. We went on alot of trips such as Jam Session, WOW and museums. There was alot af rules we had to apply to. Some was hard but I tried my best to follow them.

Some of the rules are:

--- picture here ---

Do not eat food without permission.

--- picture here ---

Respect your peers.

--- picture here ---

Do not talk back to the adults.

--- picture here ---

Keep your hands to yourself

We had a certain amount of money each day. The money adds up everyday. If you do something helpful the money adds on. There was only to be exact 2 fights. They got suspended for about a week. It was alot of fun down there. But now I am in the teen program.

## Being a Family: Younger Sister

Life for me is a complete drag. All these sisters, and brothers. But here's one that I always fight, and that is my little sister Ahnjae. I know that a lot of you have sisters. But mine, I believe is just PLAIN OLD CRAZY!

I'll be watching tv, and my mom may call me. When I come back I'll take the remote then me and her would argue, and argue till we both get in trouble.

Most people have normal little sisters but I don't. Here's a typical schedule for my sister:

Eating: Picky Eater  
Homework: Sleep Time  
Reading Line: I'm Tired, I have a headache.  
Dishes: My hand hurts  
Clean Room: I'm doing something.  
Insult: Knock, Knock,  
          who's there,  
          You look alike,  
          You look alike who,  
          You look like a monkey.  
          Sometimes I think she's adopted, but all in all I love her to death.

Next series is Baby Brothers.

Baby Brother's  
It's just total chaos at my house. 5 years olders running around. Not in diapers but in underwear. How is it that they're always the ones to beat you up in SLEEP! It's hard for me to go to sleep when he's awake. His name is Malachi.

He likes to copy his favorite shows. Here's his shows (or should I say cartoons) and sayings:

SpongeBob square pants : "My name is SpongeBob and I steal balloons.  
Chalk zone: He sings the theme songs.

Him and Ahnjae always jump me, and aggravate my mom.

RAY FOR ME!

atima Thomas

Next in the series: 11 year olds, what's their problem?

## "Cheater Or A Liar"

Remember the story that I gave you about Jay-Z and his new single "Me and My Girlfriend" with Beyonce. Well Toni Braxton says she had the idea first and recorded it. She claims that Jay-Z only came up with the idea only after it being played at Def Jam Records. Toni claims that she recorded it over the summer and that

Jay-Z got the idea from her. Jay-Z's producer of the song said that "she acts like she is the only person who heard the track and who cares people share the same track all of time". Jay-Z replies to the beef as "I didn't mean to make the same track as her and things happen and if she did record in the summer I never heard it, my producer came to me saying that he had a joint for me and Beyonce so I took it hey things happen". Toni's album "More Than A Woman" is scheduled to hit the

acks in no time.

## Music News

As you all know Mr. Cool J has returned to the music game with his tenth album. His name as you all know stands for "Ladies Love Cool James". James has been in the games since 1985 with his album "Radio" which came out seventeen years ago. LL has put in some major time into his raps to be in the game for about seventeen years, I know that my rap book would be old and dry. LL's new album is entitled "10" which stands for the number of albums he has. LL's new single is entitled "Love U Better". The song is a musical version of "Pretty Woman". Boy meets girl, boy treats girl likes she wants to be treated, they break up, he shows up as her knight in shining armor, and sweeps her off her feet. LL's new album will be hitting the racks soon so look out for that.
